The world of sport is our passion. For over 50 years, Polytan has been the leading specialist in sports surfacing, with an annual order volume in the hundreds of millions. We offer exciting career prospects with a wide range of responsibilities and opportunities for development across all areas of the business. At Polytan, you'll have scope to contribute your ideas, be both challenged and supported, and join an open-minded, dedicated team.

We are looking to recruit a member of our team (seasonal, fixed-term contract) at our Burgheim site to start as soon as possible

Linierer (m/w/d) - Region Süd

What you can expect:

- Marking out synthetic sports pitches and running tracks
- Preparing paints, tools and the line-marking machine
- Measuring out lines for various sports such as football, basketball, volleyball and athletics
- Adjusting the lines and colours in line with specifications and customer requirements
- Operating, cleaning and maintaining the line-marking machine, as well as carrying out finishing touches by hand

- Assisting with the preparation of measurements for the final invoice

What you'll bring to the role:

- You're physically fit, have good manual dexterity, are reliable and enjoy getting stuck in
- You're willing to travel within your region and to stay overnight in a caravan.
- You enjoy working outdoors and as part of a team.
- Initial work experience as a painter and varnisher (m/f/d) or in a similar role is an advantage, but not essential.
- Knowledge of German is an advantage.

Wir bieten dir:

- Seasonal, recurring fixed-term employment (annually from around April to December)
- Performance-based, above-average earnings under our piecework system **(high four-figure monthly salaries are not uncommon)**
- Free accommodation
- Financial support if you wish to obtain a lorry driving licence or take a German language course
- Varied projects in a wide range of locations
- A great team at the market leader in sports flooring

What are you waiting for? We want you to be part of Polytan!
