

The world of sport is our passion. Polytan has been the leading specialist for sports surfaces for over 50 years, with an annual order volume in the three-digit million range. We offer exciting career prospects with a wide range of tasks and development opportunities in all areas of the company. At Polytan, you have room for ideas, are challenged and encouraged in equal measure and meet an open-minded, committed team.

Werkstattmeister für Land- und Baumaschinentechnik (m/w/d)

This is what you can expect:

- Technical management, supervision and support of workshop employees in the completion of tasks, as well as final inspection of the work carried out
- Monitoring of maintenance intervals for vehicles and machines
- Ensuring efficient and cost-effective workflow organisation in the workshop
- Control, management and procurement of necessary tools and auxiliary materials
- Supervision and training of apprentices

What you need to bring:

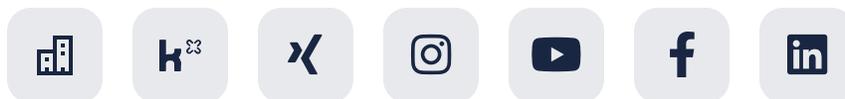

- You hold a master's degree in agricultural and construction machinery mechatronics (m/f/d).
- You also have several years of experience in workshop management and training supervision.
- You are responsible, show initiative and have good communication skills.
- You find it easy to motivate a team
- Entrepreneurial thinking and confident use of MS Office are a matter of course for you

We offer you:

- A permanent job in a growing group of companies
- A family-like working atmosphere
- A structured on-the-job training
- An individual and intensive training and, according to your abilities, a quick assumption of responsible and varied tasks
- Open and honest communication, a standard that is not just an empty phrase for us
You can feel the sporting spirit in our corporate culture, we stick together and support each other!
